

2019 RESERVED PIT PARKING

For the 2019 season, teams will be able to once again reserve their parking spot. Make sure your spot is there when you arrive for a scheduled night of racing. Rentals for the 2019 season will be done on a first come first serve basis and by division. 350 Super, Late Models, Streeter, Mini Stock and Six Shooters. As with other years, rentals do not include PASS events, SBM and Star Classic. Like this year we will try to move teams to accommodate everyone on special event dates but available spaces will also go in same order as listed above. Spaces are not transferrable and are only rented to you for nights that your division is scheduled to race.

The rental fee for the 2019 season is \$125.00. We will also be adding 12 new spots along the railroad tracks to the left of the pit entrance, by the tire trailers.

Please return the following to with check made out to: Little Webb's, PO Box 1150, Epping, NH 03042
