

2023 RESERVED PIT PARKING

For the 2023 season, teams will be able to once again reserve a parking spot. Make sure a spot is there when you arrive for a scheduled night of racing. Rentals for the 2023 season will be done on a first come first serve basis and by division. 350 Super, Late Models, Streeter, Slingshots, Pure Stocks and Six Shooters. As with other years, rentals **DO NOT** include GSPSS events, Tri-Track Mods and Star Classic. There will be no assigned spaces for the 2023 season, you will be guaranteed a spot for the night. We will tell you what spot # to park in when you arrive. We will do our best to keep you in a consistent spot as much as possible.

Spaces are **not transferrable** and are only rented **to you for nights that your division** is scheduled to race. A Saturday night pad does not include \$5 Friday Race events.

The rental fee for the 2023 season is \$150.00 for cement slab or \$100 for asphalt.
